Event Beneficiaries

Rapha House

Rapha House is an organization working to combat human trafficking in Cambodia, Thailand, and Haiti. Their goal is to help girls achieve lasting freedom from a desperate future by providing education, vocational training, care, and counseling.

Purchased

Purchased is an organization working to raise awareness about the human trafficking epidemic here in Indianapolis. Their main goal is to empower communities to end modern day slavery by investing in youth through educational opportunities, empowering them to be allies against sexual exploitation. Purchased also collaborates with organization to provide survivor support.
